Day 1-3

Palm River Hotel, Victoria Falls (Zimbabwe)

Day Itinerary

Upon arrival into Victoria Falls Airport, proceed to Customs and Immigration (visa fees to be advised by your consultant) and collect your luggage before you will be met by a local representative for the road transfer to Palm River Hotel. Here you spend two nights in a deluxe room on a bed & breakfast basis.

Please discuss options for activity pre-bookings with your consultant.

At Victoria Falls, the earth splits open and swallows one of Africa's greatest rivers, the mighty Zambezi, creating the largest sheet of falling water on earth. As the water hits the narrow depths of the Batoka Gorge beneath, it blasts a cloud of mist skywards, lending the falls their local name 'mosi-oo-tunya' (the smoke that thunders). When the Zambezi is its fullest, the mist hangs a permanent raincloud above the falls, showering visitors on even the sunniest of days and visible for miles around.

Above the falls on the upper Zambezi, boats cruise the tranquil water at sunset while the distant spray catches the fading light downstream. Below the falls, the Batoka Gorge's rocky walls funnel the lower Zambezi into a chain of world-class rapids, prime for white water rafting.

Aside from being a UNESCO world heritage site and a natural world wonder, Victoria Falls also forms a natural border between Zimbabwe and Zambia. The falls can be seen from both countries, and for the most part the same activities are offered on both sides, from helicopter scenic flights to village visits and souvenir shopping.

Whether your idea of getting away from it all is a relaxed high tea in colonial grandeur or a heart-stopping bungee jump off a bridge, Victoria Falls keeps both the faint of heart and the most insatiable of adrenalin junkies busy for days.

From Zambia, a side on view of the falls is on offer with views into the Batoka Gorge, as well as the possibility of perching yourself at the edge of the falls on the vertigo-inducing Livingstone Island.

From Zimbabwe, you'll get a full-frontal view of three quarters of the falls' 1.7km wide curtain of water from viewpoints and footpaths meandering through a rainforest kept hot and humid by the spray of the falls.

Overnight: Palm River Hotel [View iBrochure](#)

Includes: Bed & Breakfast and High Tea

Only 4 kilometres from Victoria Falls, The Palm River Hotel is perfectly located on the banks of the Zambezi River offering guests a chance to hear the thunder and see the spray of the mighty waterfall from their rooms. The Palm offers a variety of room types, all with expansive views of the riverside garden from the bedroom, verandah or balcony. The 73 rooms are made up of deluxe rooms, honeymoon suites, executive suites and a presidential suite. All rooms are en-suite with a private balcony or verandah, mini bar fridge, international plugs/ adaptors, wireless internet, in-room safe, tea/coffee self-service, air conditioning, overhead fans and satellite television.

There is an à la carte restaurant with a large al fresco dining area under a canopy of trees which serves breakfast, lunch and dinner. Dining outside under the African night sky amidst the sound of the mighty waterfall makes for a very romantic evening. The outdoor bar offers a comprehensive wine list and cocktails. The hotel has an equipped gym in the main area.

The hotel also offers an in-house activity booking office for guest's convenience.

Airport Transfer Time: 30 minutes

Day 3-5

Ngoma Safari Lodge, Chobe River Front

Day Itinerary

Following breakfast and a morning at leisure you will be met at reception at a pre-appointed time by a local representative for your road transfer across the Kazungula border into Botswana and Kasane Airport where you will be met for the onwards road transfer to Ngoma Safari Lodge. Here you spend the following two nights on a fully inclusive basis (activities are shared with other guests).

Please have your passports at hand and note that there may be delays at this border.

The Chobe Riverfront is an elephant mecca; home to the largest density of African elephants in the world. Travel here during winter and you'll fast run out of fingers and toes while you count them drinking at the riverbanks and socialising out on the floodplains.

Thanks to its ease of access from Victoria Falls, the Chobe Riverfront is the busiest part of Botswana (though still a much quieter affair than most South or East African safaris). What Chobe lacks in solitude during the busier months, it more than makes up for with quality game viewing.

Chobe will leave you feeling tiny as giant elephant bulls stroll up next to your vehicle or snorkel alongside your boat. It will make you feel lost as hundreds of hippos and buffaloes crowd you out on the floodplains. It will put your heart in your throat as prides of lions stalk antelopes by the water's edge, and it will leave you alone with your thoughts while the classic red sunsets melt over the river to a soundtrack of whistling fish eagles.

Chobe is not just a great introduction to Botswana. It also makes a rewarding repeat journey once you've ticked off the big stuff. It's a place to search for the rare sable antelope, to spot that gem from the birders' bucket list and to explore the remoter corners.

Where you stay in Chobe makes a huge difference to your safari experience. The most affordable options are at bigger hotels in a town setting where you'll share your game drives with a few more vehicles. On the more exclusive end, stay in a wilder area in or around the park, listen to the sounds of the bush at night and get a head start on accessing the park for activities.

Overnight: Ngoma Safari Lodge [View iBrochure](#)

Includes: meals, selected drinks, activities, park fees, laundry and Intermittent WiFi

Excludes: premium drinks

Activities: Game drives, walking, boating and cultural village visit

Ngoma Safari Lodge is situated in Northern Botswana within the Chobe Forest Reserve bordering the western edge of Chobe National Park and overlooking the Chobe River. Ngoma Safari Lodge is located 55 km from Kasane and 135 km from the mighty Victoria Falls in Zimbabwe.

All 8 river facing suites have spacious internal and external living areas, a bath, an inside and outside shower, fans, air conditioning, mini bar, tea/coffee facilities, an open lounge and a private splash pool. Each suite has a view of the river offering the opportunity to see the famous Chobe elephants, migrating zebra or buffalo grazing on the floodplain below, depending on the season.

The central guest area is built adjacent to a magnificent Baobab and overlooks the Chobe River incorporating a reception, guest sitting room, dining room, bar area and curio shop. Internet and communication facilities are also available as well as a swimming pool, sundeck and adjacent viewing platform.

Cultural experiences and interaction with the community are paramount at Ngoma Safari Lodge and these include visits to the local school, the clinic and the village. As Ngoma Safari Lodge is situated in a Forest Reserve, both walking and night drives are permitted and activities include: game walks on the concession which are escorted by an armed and professional guide, games drives, birding as well as a full day game activity including cruising on the Chobe River and driving within the Chobe National Park.

Chobe / Ngoma Gate

This property is located near the Ngoma Gate for entry to the Chobe Riverfront. Very few lodges are located on this end of the park and few people utilize this entry point, creating a more remote and exclusive experience than at the properties around Kasane. Although outside the park, this option is located in a bush setting where wildlife frequently passes through.

Airport transfer Time: 1 hour

Day 5-7

Xugana Island Lodge, Okavango Delta

Day Itinerary

Following breakfast and a possible morning activity (time permitting) you have a road transfer to Kasane Airport where you will be assisted with check in formalities for the onwards light aircraft transfer flight to the Okavango Delta. The following two nights you spend at Xugana Island Lodge on a fully inclusive basis (activities are shared with other guests).

Please note that the flight is booked on a 'seat rate' basis and therefore flight times are not scheduled until the day prior to flying, lodge managers will arrange your activities and transfers accordingly. Please note that there is a strict luggage restriction on all light aircraft flights of 15kg per person in soft bags, plus 5kg hand luggage and there may be up to 3 stops en-route.

The Okavango Delta is where the wild things are: an immense, waterlogged oasis alive with elephants and birdlife, adrift in the middle of Kalahari sands. The real magic of the Delta lies in its water, trickling through from far away highlands, and spreading across the channels and floodplains.

During winter in the Kalahari, when the sun has baked the earth bare and turned the desert its driest, water fills the Okavango; transforming the floodplains into a Noah's Ark of African wildlife.

As the water brings life to the delta, its local residents shape and recreate it. Termites slowly build mounds into islands, germinated with palm trees by passing elephants. Waterways open and close on the whim of wide-bottomed hippos, carving out channels where they crash through reeds, and leaving room behind them for exploration by mokoro.

The Okavango has many faces, which change throughout the year, prompted by that most unpredictable diva of all: the weather. Water levels rise and drop, expanding and shrinking islands, while animals move where the life is easiest and the grass greenest. In a few days, a sandy road driven by vehicle can become a waterway of unknowable depth, prompting a safari by boat instead.

Where and when you stay in the Okavango Delta will hugely influence what you do in the bush each day, the animals you're most likely to see and finally, the safari experience you'll have.

The delta's watery heart is best discovered by mokoro through shallow channels and floodplains, as well as crossing the islands on foot. For less water and more of the big game, visit a camp on its drier edges (including Moremi Game Reserve and the Khwai Community Area), jump on a vehicle and seek out the animals hiding in the woodlands.

Overnight: Xugana Island Lodge [View iBrochure](#)

Includes: Meals, Selected Drinks, Activities, Park Fees, Laundry and Intermittent Wifi

Excludes: Premium Drinks

Activities: Guided Walking Safaris, Boating, Mokoro and Fishing. All activities are subject to seasonal availability and weather conditions during the month of travel, walking and mokoro activities may be limited in the wet season due to dense vegetation and limited visibility.

Xugana Island Lodge is situated on a wooded island adjoining the lagoon within the Xugana private concession and is a spectacular permanent water site in the Okavango Delta that focuses purely on water-based activities.

The lodge features 10 luxury tents and 1 family unit, all set on raised wooden decks to maximize views and airflow. Each tent is beautifully appointed with en-suite bathrooms featuring both indoor and outdoor showers, ceiling fans, and private lagoon-facing decks that allow for peaceful contemplation of the Delta's rhythms.

The main areas of Xugana Island Lodge are designed to enhance the natural setting, with open-sided lounges, a well-stocked bar, and multiple al fresco dining options. The highlight is the Overwater Fire-Deck— an iconic spot for evening gatherings under the starlit African sky. Guests can unwind at the lagoon-front swimming pool, shop for keepsakes at the curio shop, or simply relax on the expansive viewing deck with panoramic vistas of the water.

Airstrip Transfer Time: A boat transfer of approximately 20 minutes from the airstrip to the camp.

Day 7-9

Kanana, Okavango Delta

Day Itinerary

Following breakfast and a possible morning activity (time permitting), you have a light aircraft transfer flight to Kanana where you spend the following two nights on a fully inclusive basis (activities are shared with other guests).

As previously described

Overnight: [Kanana View iBrochure](#)

Includes: Meals, Selected Drinks, Activities, Park Fees, Laundry and Intermittent Wifi

Excludes: Premium Drinks

Activities: Day and Night Game Drives, Mokoro, Boat Cruises, Fishing (the water activities are seasonal & water level dependent) and Walking Safaris

Kanana Camp is set in the southwestern reaches of the Okavango Delta, where lush grass-covered islands rise from fertile, eroded termite mounds. This area, northeast of the Pom Pom lagoon, is crisscrossed by the meandering channels of the Xudum River. It's a spectacularly scenic corner of the delta, marked by open

lagoons, reed-fringed waterways, and a scattering of fig, palm, and jackalberry trees. The environment is constantly shifting with the water levels, creating a dynamic safari experience where land and water activities alternate with the seasons.

The camp features eight large safari-style tents, including a family unit, all built to blend seamlessly with the surrounding vegetation. Shaded by ebony, acacia, and sausage trees, the tents are well-spaced for privacy, with en-suite bathrooms. Raised wooden decks offer guests peaceful views of the surrounding bush and channels, making each tent a quiet, immersive hideaway.

The main area is built on raised decking that wraps around ancient trees, creating a natural and inviting space to relax between activities. Guests can gather in the open-sided lounge or enjoy meals in the dining area, with a cocktail bar and plunge pool completing the relaxed and sociable atmosphere.

Activities at Kanana vary with the seasons and include day and night game drives, mokoro excursions, boating, guided walks, fishing, and sunset cruises. The camp also has access to a seasonal heronry, one of the delta's rare birding treasures, where thousands of water birds—such as storks and Pel's Fishing Owl—nest from July onwards.

For a truly memorable experience, guests staying two nights or more between April and November can pre-book the sleepout deck (at a surcharge) and spend a night under the stars, surrounded by the sounds of the delta.

Airstrip Transfer Time: 30 minutes

The transfer or charter company reserves the right to specify departure and arrival times. Private charters and airport assistance from arrival to departure can be requested at an additional cost.
- Passengers exceeding 100kg are kindly asked to notify us at the time of booking as a surcharge may be applicable on internal flights due to smaller aircraft having strict weight limits in compliance with industry safety regulations.
- The costs are subject to change at any time due to fluctuations in fuel costs, taxes, levies, government regulations, rate of exchange and factors that are imposed upon us by our suppliers that are beyond our control.
- Please advise us of the ages of children (under 18) travelling, together with their date of birth, at the time of booking as not all lodges accept children and there may be restrictions or conditions which can affect pricing.
- We recommend that optional activities be booked in advance at time of confirmation to guarantee availability e.g Dinner cruises in Victoria Falls
- Please allow a minimum 2-3 hours connection time in Johannesburg for international flights. It is important that you check that your flight tickets have been issued in your full names as per your passport. Ensure that your luggage is checked through to your final destination to avoid the need to collect and recheck it during transit, such as at OR Tambo International Airport
- We require full payment for international and domestic scheduled flights at the time of confirmation e.g Airlink JNB/MUB, Proflight LIV/LUN within Zambia. Air tickets are considered non refundable unless otherwise specified. Please confirm the details with your consultant at the time of booking.

Passports, Visas and Travel Documentation

Your passport must have at least 6 months validity before the expiry date and 6 empty pages (not including the endorsement pages). The onus is upon the guests to ensure that passports and visas are valid for the countries visited. Please note that certain visas can take up to 3 months to be processed so please consider this when booking.

If you are travelling with children through Southern Africa, please be aware that you will be required to have certified copies of their unabridged birth certificates, and passports on hand. If you are not their legal parents, or if only one of you is travelling – you will need to have consent in the form of an affidavit giving you permission to travel with the child.

Inter-camp transfers

Due to the remote locations of the areas in Southern Africa - your itinerary may include road, boat, helicopter and air transfers in small aircraft.

On shared air transfers, all the flight times between lodges are arranged a few days before the flights take place to avoid endless schedule changes. The lodge or camp where you are staying will be advised of your departure time the day before travel and will ensure that you are at the airstrip on time. Although every effort will be made to ensure that guests are transferred together in one vehicle / aircraft, this cannot be guaranteed, especially with larger groups. The aircraft used for inter-camp transfers vary in size from 3-, 5-, 7- and 12-seater aircraft. We recommend that guests susceptible to motion sickness take appropriate precautions due to flying conditions.

Weight & Luggage Restrictions

There are strict luggage restrictions in place on any itinerary, which includes light aircraft transfers for safety reasons. Luggage, including camera equipment and hand luggage, is restricted to 20 kg per person travelling on seat rates. Only soft bags will be accepted - no hard suitcases or bags with rigid frames can be transported, as they physically cannot fit into the aircraft.

The maximum dimensions of the soft bags that can be accommodated are as follows: 25cm/10 inches wide x 30cm/11 inches high and 62cm/24 inches long. Please keep in mind that the baggage compartments on the light aircraft are only 25cm high, so the pilots must have the ability to manipulate the bag into the compartment. Note that laundry can be done on a daily basis at most camps and lodges and they also offer amenities (shower gel/shampoo).

Should you arrive with excess baggage without prior warning, your baggage could be delayed, as we may have to fly the baggage into camp at a later stage at considerable extra cost to you. However, should you notify us in advance that your baggage will exceed the limit; we may be able to assist you with alternative arrangements e.g. storage or purchase of additional luggage allowance.

For bookings including flights within Zambia & Mozambique, please note luggage weight exceptions under destination information.

Lost Luggage

Lost luggage on international flights is a common problem facing travellers today. We suggest that you pack a small bag with your essentials, including any life sustaining medication, which can be carried with you as hand luggage. If travelling as a couple or family we suggest that you split your clothing between bags so that if one bag gets lost, you will have basic items on hand to see you through the first couple of days while we try and recover your lost baggage.

Please note that whilst we try our utmost to locate and re-unite you with your bags, that there may be charges involved in getting your bags to remote areas, which would be for your cost. Please remember to report the lost luggage to the airline as soon as you make the discovery - the airline will issue you with a Baggage Claim Form, which you will need in order for us to trace the bag.

Health and Dietary

Please note that you are travelling to a Malaria-risk area. Please consult your doctor for medical advice prior to travel.

Although usually safe to drink, we do not recommend that you drink the tap water. Filtered water is available at the camps and lodges.

The camps are remote, with limited power supply and access to resources, so it is very important to notify us in advance of any special dietary requirements, medical conditions and medical equipment you may need with you. Please carry critical medication in your hand luggage.

Yellow Fever Certificates - are only required if you have travelled to a Yellow Fever area as designated by the World Health Organisation. Please check with your Travel Clinic or doctor well in advance of your departure date.

General Travel Information

- Safari Camps and lodges offer limited electricity usually generated by solar or generator in order to make provision for charging cameras and electronic devices.
- Please ensure that you do not pack any valuables, cameras, cash, laptops travel documents and medication in your checked in luggage – these should be kept on your person at all times.
- Please notify us immediately of any changes to flight arrival and departure details as this affects onward transfer arrangements.
- Please note that most camps & lodges in Botswana do not have double beds. Twin beds are pushed together to make up a double room.
- Although every effort is made to adhere to schedules the company reserves the right and in fact is obliged to occasionally change routes and camps on safaris as dictated by changing conditions or unforeseen circumstances.
- By confirmation of the booking, you acknowledge that you have been made aware and accept that the tour carries inherent risks, and that you voluntarily assume all risks which are associated with the tour. You will be required to sign indemnities at the various camps, lodges and service providers, and abide by their operators' code of conduct in order to ensure your safety.
- If you have any cause for complaint while travelling, you should immediately bring it to the attention of the camp manager and / or our Maun office that will attempt to resolve the situation immediately.
- Do not remove any animal artefacts, flora or fauna from any of the areas you visit, as there are strict international regulations on the export of such items.
